Initial each of the terms below to indicate your consent:

- _____ I understand that these recordings are from an actual live Zoom class taught previously by Dr. Marda.
- _____ I understand that the students in the recorded class are not visible in the video math recording but may be heard answering and asking questions and making comments during class.
- _____ I understand that all Zoom class recordings are the property of Classes for Teens and subject to copyright laws.
- _____ I understand that the Zoom video class recordings may not be viewed by anyone other than the enrolled student and their parent/guardian.
- _____ I understand that only the paid participant may use the materials provided with the course(s). No materials, content, or recordings may be transmitted (electronically, mechanically, photocopying, recording, or otherwise) without written permission.
- _____ I understand that the Zoom video class recordings may NOT be shared/copied/downloaded with anyone who is NOT enrolled in the Classes for Teens math course.
- _____ I will not use these recordings in any way which would infringe upon the privacy of the other students or of the instructor.
- _____ I understand that Zoom class recordings must be deleted from any permanent computer storage upon completion of the course.
- _____ I confirm that my tween/teen understands and will comply with all of these policies.

As the parent/guardian of _____, I hereby confirm that I have read and fully understand the consent form and that we agree to comply fully.
